NEGRO LAND-HOLDERS.

Macon County, Alabama, is said to have a larger area of land held by negroes than any other county in the south. In 1910 negroes owned 61,689 acres in Macon. In Liberty County, Georgia, the next largest in negro land-holdings, the area was 55,048, while in Louisa County, Virginia, the third county in this respect, the colored population owned 53,268 acres. In Macon County there is no race problem—the negro population, through the industrial education of Tuskegee, has become self-reliant. The county has fifty-seven colored public schools.—Indianapolis News.
